## REKTOL ATF 100-F

Rektol ATF 100-F is a special Ford transmission fluid for automatic transmissions without friction modifiers. At the time for example for Ford C4 automatic transmission.

- outstanding low temperature behavior
- high load carrying capacity
- extended service life, resistant to oxidation
- improved wear protection
- not foaming
- stable lubricating film at high oil temperatures

The original oil formulation according to specification was an inherent part of our product range in our in-house production until the 1970s.
